

Information Privacy Worksheet

Answer Key

Read and Respond

Describe how you should respond to each situation.

You receive an email from your cousin asking for a large sum of money. She sends four more emails that same day.

Student answers may vary. Call your cousin to ask about it. If she did not send the emails, let her know that her account has been hacked.

The only way you can watch a popular TV show online is to download a new app.

Student answers may vary. Ask a parent or guardian for permission, and then read the app's privacy policy and terms and conditions before downloading it.

You receive a friend request from a stranger on a social networking site, but you notice that you have a few friends in common.

Student answers may vary. Don't accept the request until you ask one of your mutual friends about the person.

Think About It

In addition to the personal information mentioned in the movie, what other information should not be given out online?

Student answers may vary, but may include: social security number, passwords, and the personal information of friends and family members.
